

A BEAUTIFUL MODERN REWORKING OF PSALM 27

You are my Source, my Way, my Home.

In You I rest secure.

In You I gather strength.

In You I begin to see.

When fear arises
from within or from without

I remember

who you are

and how I am

In You.

Oh that I may dwell in You
day by day, moment by moment.

Then peace would be mine.

Then I could persevere
when the waters threaten to overwhelm.

Then my eyes would be filled with beauty
and my mouth with song.

Then courage and wisdom
would carry me to safe shores.

This I know:

You are.

In You,

I am.
