

# Simple Prayers

There are lots of prayer resources on the internet.

Here is one collection of simple prayers.

## **For God's Guidance**

Lead me Lord today in Your righteous ways. Teach me Your ways and may I know You more and love you better with each passing day, in Jesus name I pray, Amen

## **For Healing**

Heavenly Lord, You know and understand the health difficulties that I am struggling with and the pain that I am experiencing. Thank You that Your grace is sufficient for all my needs and thank You that Your hand of blessing is forever upon men but I also pray that You would reach out Your healing hand, as You did in times past, knowing that You are still mighty to save – I ask this in Jesus name, Amen

## **For Protection**

Dear Lord, be with me today. Keep me from evil and protect me from all danger and draw me ever closer into Your arms of love, Amen

## **For Wisdom**

Dear God, You have said in Your Word that if we lack wisdom You will give generously to all those who ask. I pray that You would give me wisdom to discern what is bad and wisdom to seek after that which is good, for Your praise and glory, Amen

## **Prayer Of Dedication**

Heavenly Father, I come to You in lowliness of heart and poverty of spirit and pray that You would take my life and use me to Your praise and glory. May I decrease and may you increase in every area of my life and may I become a living sacrifice, that is pleasing to You – in Jesus name I pray, Amen

## **When Feeling Lonely**

Dear heavenly Father, thank You for reminding me that You are with me every moment of the day and that wherever I go, You are with me. Praise Your holy name, Amen

## **When Frustrated**

Lord forgive me for so often trying to do things in my own strength. Help me never to forget that without You I can do nothing – but that I can do all things through Christ , Who gives me the strength, Amen

## **Evening Prayer**

Dear Father God, thank You for today and for being with me every step of the way. I pray that I may have a good night's rest and wake up refreshed in the morning to serve You, in Jesus name, Amen

## **Morning Prayer**

Lord Jesus, thank You for bringing me safely through the night and for waking me up to a new day. May I honour You today in all I say and do, in Jesus name, Amen

## **Thank You Prayer**

Dear God, I just want to pause in my daily routine to say THANK You for all Your grace and goodness to me and to simply tell You that I LOVE You. Amen
